RAMTEQ[®]
QUALITY PRESSURE WASHERS

Best Engineered

VERSATILITY

The BV gasoline engine series are the most portable and maneuverable pressure washers in the industry. Versatility with features such as interchangeable wheel configurations allows you to accommodate your individual needs. These products are ideal for industrial and commercial cleaning applications.

SERVICEABILITY

RAMTEQ's top-quality, durable construction provides years of reliability. Designed with the user in mind, RAMTEQ's modular technology supports low operational costs through easy, efficient and effective service and upgrade paths. RAMTEQ products are designed and built for performance, dependability and low total cost of ownership.

VALUE

With RAMTEQ, you get more than just top-of-the-line products with the features and conveniences you want. You also get unmatched customer service and support from a company dedicated to innovative engineering and customer satisfaction.

NO WONDER CUSTOMERS
CHOOSE RAMTEQ.
